Trade Partner Engagement Program

We've designed a program to help small business owners, trade partners, and suppliers become more competitive and sustainable. Our Trade Partner Engagement Program (TPEP) offers training in risk management, marketing, accounting best practices, and more—giving you the tools to sharpen your edge and secure your future in construction. Your expertise makes us better, and we want you on our projects. Apply to participate! Send your fully completed application to tradepartner@abbottconstruction.com and include **"TPEP Application"** in the subject line.
